An Action4Youth Initiative

## Inspiration Programme Volunteer

The Inspiration Programme from Action4Youth is an exciting new project to broaden the horizons, thinking and experience of Year 12 students – to make them aware of how our society works, and to help them understand what their place in it is, and can be. The programme will enable young people to have direct and meaningful experience of key areas of our community: business, arts and culture, third sector, health and wellbeing, police and justice and the military.

<b>Aim of role</b>	Are you passionate about supporting young people to be the best that they can be? Are you active, with a lively mind, and thrive on being part of a team?
