# SCALING NEW HEIGHTS

The Action4Youth Caldecotte Xperience is a small, friendly and fully inclusive outdoor learning and adventure centre located beside Caldecotte Lake in Milton Keynes. We offer the largest range of accessible land and water-based activities in the region for young people with disabilities – including those with the most complex needs.

The centre enables young people to learn to challenge themselves, have fun and work together, discovering what they can achieve rather than what they can't.

Our instructors and staff all have additional needs specialist training and are experienced in delivering sessions with varying support requirements so all activities can be enjoyed by everyone whatever their ability.

**LEARNING SHOULD BE FUN.  
WE MAKE SURE IT IS.**

# READY FOR ANYTHING

With the largest range of activities available in the region - from Archery to Zorbing Caldecotte Xperience offers an A-Z of activities on both land and water, many of which are not normally easily accessible to young people with additional needs.

Caldecotte Xperience has some of the best specialist and adapted equipment which not only ensures accessibility but enables us to offer training and fully certificated courses in activities including climbing, sailing, paddle sports and powerboating.

Our Wheelyboat, one of only a few in the country, provides the opportunity for even those with the most complex needs to take to the water and experience the thrills of powerboating without the need to leave their chairs.

# ACCOMMODATING NEEDS

We offer day and residential courses with both catering and self catering options. With 2 fully equipped Yurt villages and bunk room dormitory accommodation in our main building, Caldecotte can accommodate up to 108 people all year round with space for an additional 80 on our camping ground which is available throughout the summer.

All of our accommodation is wheelchair accessible and we also have high dependency beds and hoists for those young people with more complex needs. Our accommodation provides a fun and inclusive experience for all and a soft, safe introduction to adventure and staying away from home.

**OUR ACCOMMODATION IS WHEELCHAIR ACCESSIBLE AND WE ALSO HAVE HIGH DEPENDENCY BEDS AND HOISTS FOR THOSE YOUNG PEOPLE WITH MORE COMPLEX NEEDS.**

# AIMING FOR THE FUTURE

We work alongside you to ensure your visit is memorable and tailored for the individual needs within your group and to achieve the outcomes you require. Because we are a smaller centre, we are able to build completely bespoke programmes allowing you flexibility to make changes, even on the day if there is a need to do so.

Outdoor education enables significant long-term learning and personal development outcomes which include:

- Increased self-confidence and esteem
- Increased teamwork, leadership and communication skills
- Increased physical and mental wellbeing
- Increased engagement and achievement
- Decreased social isolation

The Action4Youth Caldecotte Xperience provides some of the best facilities and qualified instructors to deliver them.

To find out more about our programmes, to plan a visit with your school or club, or just for an initial chat contact us via:

# INSPIRING YOUNG PEOPLE

Caldecotte Xperience is owned and operated by Action4Youth an energetic youth charity, providing positive, often transformational experiences and activities that inspire children and young people of all abilities and backgrounds.

Action4Youth operate a range of enrichment programmes that include The Duke of Edinburgh's Award and the National Citizen Service. It has also developed its own Young Leaders course and the flagship Inspiration Programme which develops communication and leadership skills, builds confidence, resilience and self-esteem and broadens horizons – preparing young people for life and future employment.

As a charity, we aim to ensure that we can reach and provide opportunities for as many young people as possible and ensure our programmes are available to all.
