

Ringway Supports Action4Youth to Get Ready for National Citizen Service (NCS) Programmes

Ringway recently volunteered to help put up one of the large Action4Youth marquees ready for the [NCS](#) sessions running this summer. We loved having Suzanne and the team helping us get ready for NCS.

We are always extremely grateful to anyone who supports Action4Youth to help us support over 6000 young people in Milton Keynes Bucks and the surrounding areas.

Our [NCS](#) programme is running again this summer!

The experience which turns No You Can't into No We Can!

Action4Youth has worked with NCS since 2010, delivering life-changing experience for young people. To date, we have worked with over 4000 young people, helping them to realise

their potential and smash their future goals.

Designed for 16-17 year olds, NCS is a youth programme that runs every summer during the school holidays.

The experience is all about emboldening young people, giving them the experience of discovering what life may involve, without all the responsibility.

NCS offers a range of experiences for young people that support them to become world-ready and work-ready through growing their confidence, independence, and skills; connecting them with people from all walks of life; and empowering them to make a difference in their communities and wider society.

Note to Editors

Our NCS programme is running again this summer!
